Dear Esteemed Partners,

It is my honor to invite you to partner with ISSICON 2025, the International Spine & Spinal Injury Conference, taking place from October 31 to November 2, 2025, at Hotel Hyatt Regency, Chennai, India. This prestigious event will unite leading spine surgeons, neurosurgeons, orthopedic specialists, rehabilitation experts, and researchers from around the world, fostering academic excellence, innovation, and collaboration in spine trauma and spinal injury care. This conference will also be a Combined Annual Meeting of Spinal Cord Society (SCS), AO Spine, and ASCON (Asian Spinal Cord Network), ensuring a truly multidisciplinary and globally significant platform.

ISSICON 2025 presents an exclusive opportunity for industry leaders to showcase innovations, engage with key decision-makers, and contribute to the evolution of spinal care. With a distinguished audience of healthcare professionals, Spine surgeons, Physiotherapist, hospital administrators and researchers, this conference offers an unparalleled avenue for strengthening brand presence, fostering partnerships, and advancing cutting-edge solutions in spine health. We welcome you to collaborate with us and be part of this landmark event.

Warm regards,
Dr G Balamurali
Organizing Chairman, ISSICON 2025

Dr H S Chhabra
President- Spinal Cord Society

Dr P Keerthivasan
Organising Secretary

Dr Soma Sundar S
Organising Secretary

OUR ESTEEMED PARTNERS

We are honored to collaborate with Globally renowned institutions and organizations, who are the forefront of spinal trauma care, rehabilitation, and surgical advancements.

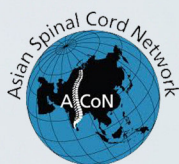

Kauvery Hospital

Kauvery Hospital is a leading multi-specialty chain of Hospitals in South India. With over 12 hospitals, and workforce of 8000+ Kauvery Hospital has established itself as a premier center for spine surgery, neurology, and orthopedic care.

Spinal Cord Society (SCS)

The Spinal Cord Society (SCS) is a dedicated National organization focused on advancing research, treatment, and rehabilitation for spinal cord injuries. It brings together specialists, researchers, and rehabilitation experts committed to improving patient outcomes and quality of life.

Asian Spinal Cord Network (ASCON)

ASCON (Asian Spinal Cord Network) is a prestigious organization that brings together spine surgeons, rehabilitation specialists, and researchers across Asia to focus on spinal cord injury management and rehabilitation strategies. ASCON is dedicated to developing regional and global guidelines for spinal cord treatment, ensuring the highest standards of care across Asian countries.

AO Spine

AO Spine is the largest **global community of spine surgeons, researchers, and educators**, dedicated to improving patient care through education, research, and innovation. As a leader in spine surgery advancements, AO Spine provides **specialized training programs, collaborative research opportunities, and global networking platforms** to enhance spine trauma care and surgical precision.

Hamsa Rehab

Hamsa Rehab stands as the leading network of rehabilitation centers in South India, specializing in **Spine, Neuro, and Orthopedic Rehabilitation**. With approximately five state-of-the-art centers spread across three major cities in Tamil Nadu, Hamsa Rehab has established itself as a **cornerstone of advanced rehabilitative care**.

iSpine – International Spine Academy

iSpine is a **global spine academy** based in Chennai, focused on hands-on training and one-on-one interactive workshops. It aims to **advance spine education among young orthopedic and neurosurgeons** through skill-based learning and expert mentorship.

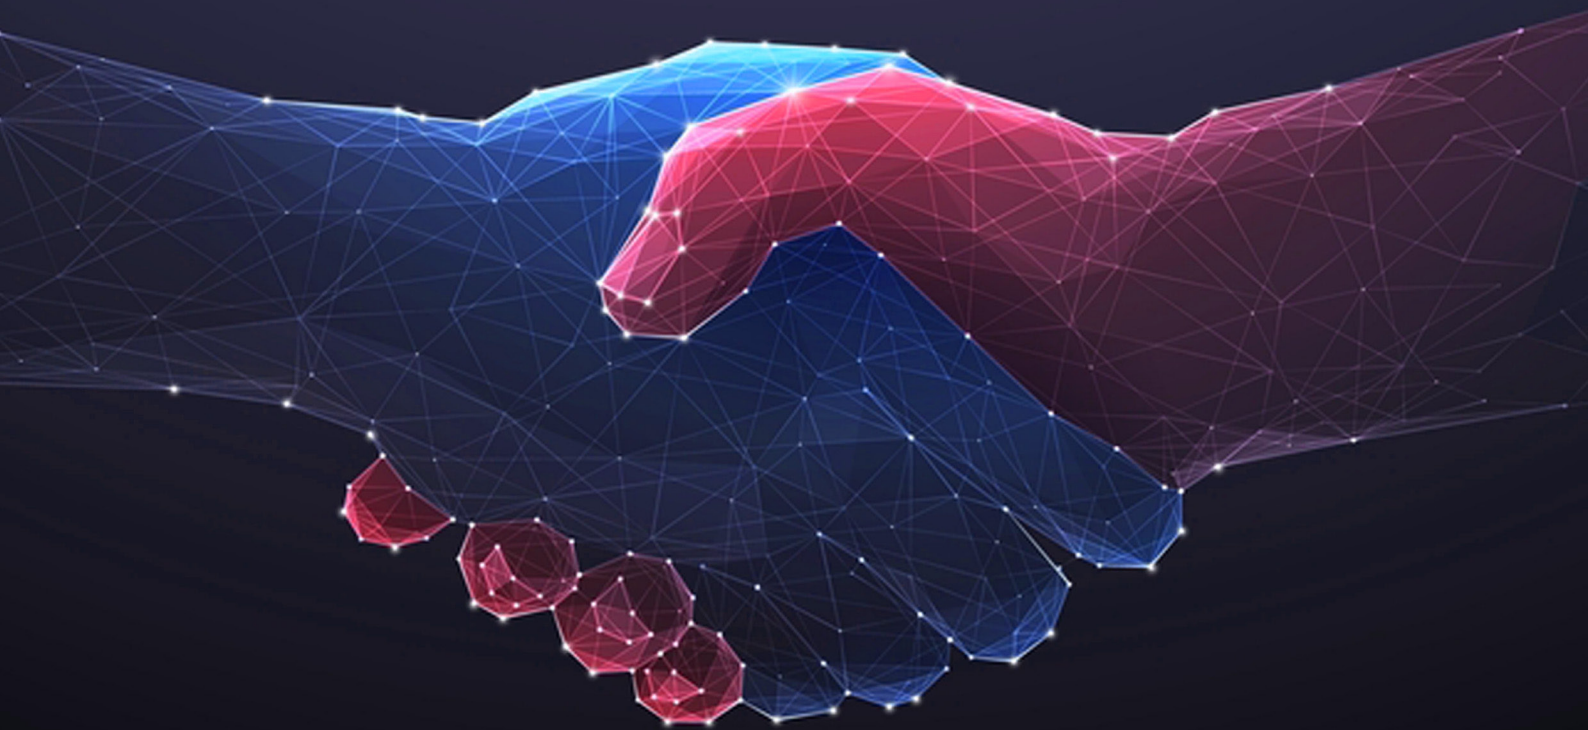

Chennai Ortho Spine Society (COSS)

The Chennai Ortho Spine Society (COSS) is a distinguished professional organization that fosters **education, research, and collaboration in spine surgery and orthopedic advancements**. COSS plays a vital role in bringing together **leading spine specialists and orthopedic surgeons** in Chennai and the whole of Tamil Nadu to discuss the latest techniques, innovations, and best practices in spinal care.

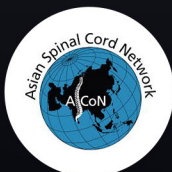

WHY PARTNER WITH ISSICON 2025?

ISSICON 2025 offers a powerful platform for companies and trade partners in the medical, healthcare, technology, and rehabilitation sectors to showcase their innovations, products, and solutions to a highly targeted audience of industry leaders, decision-makers, and practitioners.

ANNUAL COMBINED MEETING OF 3 MAJOR SOCIETIES

WHO SHOULD EXHIBIT ?

If your company is involved in any of the following areas, ISSICON 2025 is the ideal platform for you

Medical Devices & Implants

Spinal implants, navigation tools, endoscopic spine surgery systems, robotics, and imaging solutions.

Rehabilitation & Physiotherapy

Therapy devices, assistive technology, exercise equipment, and mobility aids.

Hospital & Surgical Equipment

Advanced operating room solutions, surgical instruments, and intraoperative imaging tools.

Medical Publishing & Research

Journals, educational platforms, training programs, and digital health solutions.

Technology & AI Solutions

AI-driven diagnostics, spine-specific telemedicine solutions, and health-tech innovations.

Insurance & Medical Financing

Healthcare financing, insurance solutions, and patient care services.

Pharmaceuticals & Pain Management

Pain relief medications, biologics, regenerative medicine, and post-surgical care products.

EXCLUSIVE BENEFITS FOR SPONSORS AND EXHIBITORS
